

Iowa Conference United Methodist Church
Mission Ingathering
2019 North Central District Hunger Grant Application

Each year on the first Saturday in November, United Methodists gather for the Mission Ingathering at five sites across Iowa to collect cash and other items for missions in Iowa and around the world. A portion of the funds collected is returned to Iowa hunger relief agencies. A modest sum of money is available for use in each of the eight districts of the Iowa United Methodist Conference. If your church is involved with a hunger project, you may apply for a portion of the available funds. You may also pass the application on to a hunger relief agency in the district.
